Adele,

Sorry, but I didn't check my email until just before the meeting. I believe they wanted it to be an ORD meeting only, however, we have the go ahead to share everything now with you. Attached is the latest and possible final version of the response to OCEA's comments. Also I will send you a link to download the revised RTC and revised reports as they get updated/reviewed internally.

Sally,

I mentioned to Senior Management on Friday last week that a briefing is scheduled with Kevin Teichman tentatively for Monday, July 27, 2009, I was asked this morning during Senior Staff Briefing, if we can listen in on the discussion. Can you please let me know if this is possible. Appreciate your assistance.

Thanks,
Adele Cardenas Malott, P.E.
